## STORYTIME ACTIVITIES

Each Monday, activity kits that complement that week's story times on Thursday and Friday will be available for pick up at the front door. If the library is closed or it is raining call the library to schedule a pick up or for more information.

### Brain Boosting Sleep

Join author, coach and speaker, Sandra Stanton, as she shares with use some secrets of sleep. Who knew your brain is especially busy while you're sleeping? No, it's definitely not "resting". Without solid sleep, we can feel muddle headed. Sleep hygiene is a "thing", especially during COVID 19. Let's talk about ways to get the brain ready for the "night crew"

### Colossal Fossils

We are excited to welcome Colossal Fossils back for weekly presentations for the next 16 weeks! Join us each Friday at 1pm from their downtown Wausau, WI Museum on Zoom. If you can't join us live the recordings will be available for 3 days after each presentation. We will feature a Grab & Go kit each week to complement their presentations.
