Working for the Right to Vote

Join us as we welcome Simone Munson from the Wisconsin Historical Society as she takes us on a march through suffrage history. We'll explore the stories of leaders, tactics, losses, and victories as women worked for the right to vote, and see how Wisconsin fits within the larger story of enfranchisement and analyze the conflict and complications that suffragists faced as they sought the right to vote.

Read to a Hedgehog

Ms. Caroline and her family's hedgehog, Fernie, are looking for readers and they want it to be you! Join Ms. Caroline and Fernie on Zoom, for this out of school event, by making an appointment where you get to be the leader of storytime and meet Fernie. Register for your own 20 minute time slot by visiting <https://bit.ly/ReadToFernie>

Teen Craft Night

Teens (ages 12-18)! Join us for a night of crafting, games, snacks and cozy fun. We'll make winter graham cracker cottages, do some painting, make snowmen, and other crafts perfect for gifting, create pop-up cards, play games, listen to some festive music and more. Register at bit.ly/DecTeen
