## The Happy Earth Orchard

Join us for stories, songs, a hayride, exploring the orchard, creating apple crafts, apple picking and apple snacks! Meet us at The Happy Earth Orchard located at W4616 County Road G, Ellsworth. This is a great opportunity to visit the orchard again, or for the first time, if you missed our field trip in September. Dress for the weather and wear the proper footwear – the grass can be dewy in the morning or wet after rain.

## Twenty-Two Farms

Chris and Gina Mizell, owners of Twenty-Two Farms Animal Sanctuary in Baldwin, will present their story of how the sanctuary got started, talk about the various animals they rescue and provide insight as to the day-to-day happenings at the farm. They also plan to bring some special furry guests for you to meet. A meal will be provided by the Senior Center and the Friends of the Library following the program.

## Fall Festivities

From the Wisconsin Science Festival to pumpkins to scarecrows and trick or treating the library looks forward to participating in and offering a variety of ways for our community to get in the Fall spirit. Stay tuned and visit our website for details about our "out of school" Science and a Story, our annual scarecrow contest and the new this year Drive Thru Trick or Treat event.
