Teens!
We are having our first in person meet-up at The Pizza Arcade on March 1 at 4:00 pm. Please RSVP by calling the library at 715-273-3209 so we can plan for pizza and snacks. Come to hangout, eat, and play some arcade games.

Virtual Speakers Abound
There are many virtual speaker opportunities available this month on a variety of topics. Our virtual BadgerTalks series (a collaboration of area libraries) continues with some wellness topics to help get us through until spring. Aldo Leopold, famous Wisconsin conservationist, is celebrated the week of March 4-13 this year with a line up of virtual speakers planned by the Aldo Leopold Foundation. EPL welcomes their own speaker to introduce you to Aldo and his legacy. We also welcome author Karen White, which is open to all.

Mystery Quilts
One of our favorite displays at the library each year is our showing of the finished products of our Mystery Quilt program. We continue that tradition this year with an in-person display at the library as well as a Virtual Display Photo Slideshow. Watch our Facebook page or YouTube channel on March 28 for the slideshow's premiere!
