National Library Week
Explore MORE Passport Program

Show your library love this spring by exploring your local library and others in our region by participating in the Explore MORE Library Passport Program. 1. Sign up and get your passport at EPL. 2. Get your passport stamped by visiting libraries in our MORE catalog consortium and exploring local communities. 3. Get 10 stamps and be entered to win prizes. Find all the details at: <https://flsweb.org/exploremore2022>

Teens

Join us for Waffles and Watercolor this month in the lower level of the library. Enjoy a waffle bar, hang out with other teens, and create a watercolor painting. Other games and activities will be available as well.

If you haven't tried our Teen Book Boxes yet stop in at the library or sign up on line.

Mini Art Show

Inspired by the Ellsworth students and their School Art Show, we are having our own Mini Art Show and you are the artist. Starting April 11 pick up a mini art kit at the library. Using the kit materials (and your own if you'd like) create an original artwork. Then, drop it off at the library by April 29 to be included in our Mini Art Show and you'll also be entered into a drawing for prizes.
