Discover Together Tuesday: POW Camps in Wisconsin

Matt Carter will lead us through the history of German POW camps in Wisconsin during WWII and we'll discover together their impact on our local counties and communities.

International Games Month

Celebrate with us this month by joining in on games trivia on November 10. You can play from home or bring your team to the lower level of the library. You are also invited to join us for puzzles and board games at the library on November 22. Drop in anytime between 5 and 7 pm.

Robotics for Kids

Join Ms. Caroline and computer engineer, Mike Benoy, for a morning of creative engineering. We are going to be working together to create a Rube Goldberg machine and we need as many engineers as we can get. Sign up today!

Saturday Story Spectacular

Join Ms. Caroline for a morning of stories, songs, games and crafts as we celebrate author and illustrator Jon Klassen, ahead of his birthday on November 29.

Klassen won the Caldecott Medal for his book *This Is Not My Hat* in 2012. He is also the author/illustrator of *I Want My Hat Back*, *We Found a Hat*, *Triangle* and *Sam & Dave Dig a Hole*, among others.
