# GREAT FRIENDS MAKE GREAT LIBRARIES

The Friends of the Ellsworth Public Library is a non-profit 501(c)(3) organization whose goals are to support, improve, and promote library services through fundraising, assisting with programs, and fun events with a team of volunteers.

## What We Do

- ✓ Promote knowledge of the functions, services, and needs of the library
- ✓ Help in the development of programs for the extension and improvement of the library services and resources
- ✓ Aid in the provision of adequate housing and other facilities for the library
- ✓ Attract bequests and gifts of money or other appropriate materials beyond the resources of the library budget

Friends of the Ellsworth Public Library play an important role in supporting our library, ensuring this valuable community asset is accessible to everyone.

# SUPPORT OUR LOCAL LIBRARY

## Become a Friend

The main source of income for the Friends group is membership dues, which helps us support library programs and services. The more friends we have, the more library programs and services we can support.

Your membership offers you the opportunity to share your thoughts, donate your time and lend your talents. As a member, you have voting rights at our annual membership meeting and are eligible to become an officer.

## Volunteer

The library needs volunteers to assist with programs, to promote advocacy, and to serve on committees.

Students can volunteer to satisfy school community service requirements.

## The Friends Corner

When visiting the library, stop by the Friends Corner. Help yourself to a cup of coffee for a \$1 donation, and browse an ever-changing selection of gently-used books, audiobooks, and DVDs available for purchase.
